Day Camp Seewackamano

LEADER IN TRAINING

**Ulster County Dept. of Health states that Day Camp counselors must be at minimum 16 y/o.
This role is open to those completing 9th grade in 2020-2021 school year.
Before you begin completing your application be sure to read this letter.**

Dear Leader in Training Candidate,

At Camp Seewackamano, we take the Leadership in Training Program very seriously. We believe the future of our camps lie within you. We will train you and give you the tools necessary to become a great leader and prepare you for our CIT program. How you choose to use those tools is up to you. Whether you have been a camper before or this is your first experience with us, we believe you have the potential to be a great asset to Camp Seewackamano and the YMCA of Kingston & Ulster County.

Should you be accepted into the LIT program you should be prepared for a very different experience than the "camper" experience. From the moment you are enrolled as an LIT, you will need to be a positive role model at camp, at the YMCA, and in public. As an LIT, you are a representative of the YMCA. Younger campers will now be looking to you for comfort, direction, and guidance.

Throughout the summer, you will be working with the Leadership team and Counselors at camp on team building, activity planning, role modeling, problem solving, supervision, and camp & community service projects. The other part of your LIT experience will be working within an assigned group of campers and staff. This will give you the chance to implement the skills you learned from the planning time with your leadership team and peers.

I hope after you have read this letter, you're still interested in being a part of our LIT program and understand how important your role is to us.

Follow up interviews will be arranged by the team that reviews your application.

Thank you for your interest in becoming a LIT at Camp Seewackamano.

Sincerely,

Cailin Rooney
Youth Development Director
