- ◆ I can arrive 30 minutes prior to my party time to set up. My host will meet me at the Member Service Desk at _____ to help me to my room. They will stay with me to help me.
- ◆ I have to clean up the room after my party and place the garbage outside of the room. I need to vacate the party room by _____. My host will remain to assist me with clean up. They are not expected to clean up for me.
- ◆ For the safety of all, I know that I must supervise the children and keep them in the party location at all times. It is not the hosts responsibility to escort to the bathroom or supervise the party. I will bring an acceptable amount of adults to assist me with this. I know that the children are not allowed to run in and out of the party location, nor are they allowed to use the bathrooms alone.
- ◆ Both myself and my guests will abide by the Code of Conduct provided to me under separate cover.
- ◆ Any damage, accidental or other, caused to the YMCA property will be repaired at my cost.
- ◆ There will be no alcohol or tobacco type products on the YMCA property nor will any guests be under the influence.
- ◆ If I am participating in a specialty party, I have read and understand the policies related to that party.
- ◆ The user agrees to indemnify and hold harmless the YMCA and/or its employees from any and all claims that may arise through negligence or otherwise. The YMCA does not ensure, safeguard or protect the user against claims which may arise from any accident or injury to any participant (s) through the YMCA facilities.
- ◆ All fees must be paid in full at the time that the party is booked and I know that the party is non-refundable.
- ◆ I know I must provide any food, beverages, candles, cake, plates, napkins, cups, utensils, table clothes, tape, scissors, decorations etc. If I am bringing a piñata it is to be hung by a stick not on the ceiling.
- ◆ The family locker room is to be used for a splash party and my guests should know to bring their own towels.
- ◆ I know that the rooms are often shared by our Afterschool children so we shouldn't touch any of the displays or take them down.

I understand these rules and I agree to play by them...and I know there are more on the next page but I'm going to sign here and flip it over!
